Michele –

Rick and I just left you a phone message. I hate being so desperate for a status update but I'm getting asked about our UIC permit application and Aquifer Exemption application practically on a daily basis. Our geology team has especially been eager to understand why we can't submit our UIC permit application after they took the time to prepare it in-house.

Please let us know if a face-to-face meeting would be acceptable? Rick and I can be there in short notice.

Thanks,

Raymond
